PARISHIONERS' DISCUSSION

Messrs Wharton and Layte were local residents to Wheal Maid and were very concerned about the increased usage by off-road bikers. After much discussion it was agreed that PC Wheeler would tell the Clerk when a PC would be available on a Sunday when the police landowners and residents could approach the bikers explain their concerns and invite them to a CCC led discussion being held on 16th April at the Crossroads Motel.

Mr Darlington having been in a serious accident on the Cusgarne Bissoe Road had written to the Council wanting the road widened. It was explained that this was a CCC matter but the Council would not be supportive if the result was to speed up the traffic and move the problem onwards. The Clerk was to write to Cory Environmental and ask the apart from that collecting locally their refuse trucks be routed elsewhere to avoid the problem created.

PC Wheeler reported 4 crimes – theft of wine from Fox & Hounds, theft of electric fence at Pengreep damage to taxi at Wheal Jewell and common assault at Wheal Jewell. There were 21 reported incidents including further trouble at Wheal Jewell. PC Wheeler said he would again contact the liaison officer and discuss anti-social behaviour orders.

Prayers were said and the February 2003 Minutes were signed as correct.
