UNITED DOWNS LANDFILL
05/49

The Clerk had reported the results of his enquiries of the officers at CCC regarding the alleged closure of Connon Bridge and the diversion of waste too United Downs. This was not a 'done deal' as had been rumoured but was the subject of discussion to be decided by the Executive. There was to be no consultation but we could write and make a representation. IT WAS RESOLVED that the Clerk should write and state that the Council's preferred option would be for no change with the planning coming to an end in 2010 notwithstanding that there was unused void space. It was suggested that it might be opportune for the Alliance to revive and the Clerk was to contact the Clerks of the other Parishes.
